

I support the Communities Plan because it:

- Guarantees our constitutional right of one person, one vote,
- Respects existing communities across Montana, including small towns, rural communities, cities, and suburban areas,
- Keeps intact more small towns than any other proposed plan,
- Provides strong protection of minority voting rights, so American Indian citizens can fully participate in our political process, and
- Creates a fair balance so that no one political party gains monopoly control of the Legislature.

Helena, MT 59620-1706

I support the Communities Plan because it:

- Guarantees our constitutional right of one person, one vote,
- Respects existing communities across Montana, including small towns, rural communities, cities, and suburban areas,
- Keeps intact more small towns than any other proposed plan,
- Provides strong protection of minority voting rights, so American Indian citizens can fully participate in our political process, and
- Creates a fair balance so that no one political party gains monopoly control of the Legislature.

Dear Districting & Apportionment Commission,

Please consider my support for the Communities Plan which: 1) provides fair representation for Butte and Anaconda at the Montana Legislature, 2) recognizes the rich economic, cultural, and social communities of interests within the region; 3) reflects the importance of common transportation networks for commerce and travel; 4) honors the long shared history of mining and agricultural interests in the region; 5) keeps all small towns intact in Southwestern Montana; and 6) allows candidates, regardless of political party, to compete in legislative races across the region.

I urge you to support the Communities Plan for Southwestern Montana.
