RE: November 17-18 meeting agenda and background materials

The Commission on Sentencing meets again in Helena on November 17-18, starting at **8 a.m.** each day. The meeting will be held at the Capitol in Room 152.

A tentative meeting agenda is enclosed in this packet. The packet also includes several documents related to several of the panel discussions that will occur during the meeting. The materials are mostly for your background, meaning they might not be covered specifically by a speaker during the meeting. But because the packet does include some papers that will be referred to during the meeting, please bring it with you to Helena. You will receive a folder and additional meeting materials at the meeting.

Also, you will find electronic versions of most documents online at the commission's website: www.leg.mt.gov/cos. I will post the meeting materials, including presentation slides, as they become available.

The commission now has an email to receive public comments. That email address is SentencingComments@mt.gov. All comments received at that address will be compiled into a file that will be emailed to you periodically.

Don't hesitate to contact me with any questions. My email is rweiss@mt.gov and my phone number is 406-444-5367.
