**** Bill No. ****

Introduced By *****

By Request of the Law and Justice Interim Committee

A Bill for an Act entitled: "An Act establishing a statutory framework for shared county and state funding for jail diversion, crisis intervention, and diversion to short-term treatment of mentally ill persons who may otherwise be involuntarily committed to the Montana state hospital; providing an appropriation; amending section 53-21-123, MCA; and providing an effective date."

Be it enacted by the Legislature of the State of Montana:

NEW SECTION. **Section 1. Purpose.** The purposes of [sections 1 through 8] are to:

(1) provide a statutory framework for shared county and state funding for jail diversion and crisis intervention services; and

(2) establish provisions allowing respondents in involuntary commitment cases to be diverted to short-term inpatient treatment.

NEW SECTION. **Section 2. Definitions.** As used in [sections 1 through 8], the following definitions apply:

(1) "Commitment" has the meaning provided in 53-21-102.

(2) "Court" has the meaning provided in 53-21-102.

(3) "Department" has the meaning provided in 53-21-102.

(4) "Emergency situation" has the meaning provided in 53-21-102.

(5) "Mental health facility" has the meaning provided in 53-21-102.

(6) "Professional person" has the meaning provided in 53-21-102.

(7) "Respondent" has the meaning provided in 53-21-102.

(8) "Short-term inpatient treatment" means treatment provided pursuant to [sections 1 through 8] in a mental health facility on an inpatient status and in such a manner as to ensure that if the patient must be involuntarily detained for the safety of the patient or of others, appropriate measures may be taken, which may include transfer to another mental health facility.

(9) "State hospital" has the meaning provided in 53-21-102.

NEW SECTION. **Section 3. State matching funds for county-supported jail diversion and crisis intervention services.** (1) As soon as possible after July 1 of each year, the department shall grant to each eligible county matching funds for approved county expenditures made in the previous fiscal year to support jail diversion and crisis intervention services pursuant to 53-21-138 and 53-21-139. The amount paid must be a percentage of the county's expenditures approved by the department prorated according to the total amount appropriated for the purposes of this section.

(2) To be eligible for the matching funds, the county, in

the time and manner prescribed by the department, shall:

- (a) apply for the funds;
- (b) develop and submit to the department a county jail diversion and crisis intervention services strategic plan; and
- (c) collect and report data and information on county-supported jail diversion and crisis intervention services.

NEW SECTION. Section 4. State to contract for dedicated crisis intervention and short-term inpatient treatment beds. (1)

For each service area, as defined in 53-21-1001, the department shall contract with a mental health facility for:

(a) at least three beds dedicated to emergency detention under 53-21-129 or court-ordered detention under 53-21-124 pending a commitment hearing; and

(b) at least three beds dedicated to short-term inpatient treatment.

(2) Each contract shall provide that costs must be billed as provided in 53-21-132, except as follows:

(a) the cost associated with under-utilized dedicated emergency detention beds shall be paid by the department; and

(b) the cost for diversion to short-term intensive treatment shall be paid as provided in [section 8].

(3) The contract shall require the collection and reporting of fiscal and program data in the time and manner prescribed by the department.

NEW SECTION. Section 5. State contribution to county

insurance pool. If a self-insurance plan is established by one or more counties, as authorized under 2-9-211, to help pay for county precommitment costs under 53-21-132, the department shall contribute 50% of each county's premium.

NEW SECTION. **Section 6. Diversion to short-term inpatient treatment.** (1) The court shall suspend the commitment hearing scheduled pursuant to 53-21-122 if:

(a) a professional person has recommended in an evaluation pursuant to 53-21-123 that the respondent be diverted to short-term inpatient treatment; and

(b) the county attorney and the respondent's attorney agree to the diversion before the commitment hearing is held.

(2) If the county attorney and the respondent's attorney do not agree to the diversion, the hearing must be held as scheduled.

(3) When a commitment hearing has been suspended pursuant to this section, the court shall refer the respondent to the mental health facility on contract with the department pursuant to [section 4]. If the mental health facility does not have an available bed, the respondent must be transported, at department's expense, to the state hospital for short-term inpatient treatment.

(3) Subject to subsection (4), at the end of this treatment period, the respondent must be released and the petition for commitment must be dismissed.

(4) The mental health facility shall notify the court and

the court shall schedule a commitment hearing within 5 days of the notification, including weekends and holidays, unless the fifth day falls on a weekend or holiday and unless additional time is requested on behalf of the respondent, if:

(a) a professional person determines that the respondent should not be released because an emergency situation would exist if the person is released; or

(b) the respondent requests release before completing the treatment period specified in [section 7].

NEW SECTION. **Section 7. Length of treatment -- rights.** (1) Short-term inpatient treatment may not exceed 14 days, except pending a commitment hearing scheduled pursuant to [section 6(4)].

(2) A respondent in a mental health facility for short-term inpatient treatment is entitled to all of the rights and protections provided in part 1 of this chapter.

NEW SECTION. **Section 8. Payment of costs.** The cost for short-term inpatient treatment must be billed to the following entities in the listed order of priority:

(1) the respondent, the parent or guardian of a respondent who is a minor, or the respondent's private insurance carrier, if any;

(2) a public assistance program, such as medicaid, for a qualifying respondent; or

(3) the department.

Section 9. Section 53-21-123, MCA, is amended to read:

"53-21-123. Examination of respondent following initial hearing -- recommendation of professional person. (1) Following the initial hearing, whether before a judge or justice of the peace, the respondent must be examined by the professional person without unreasonable delay. The examination may not exceed a period of 4 hours. The professional person shall immediately notify the county attorney of the findings in person or by phone and shall make a written report of the examination to the court, with copies to the respondent's attorney and the county attorney.

(2) (a) The professional person shall include in the report a recommendation about whether the respondent should be diverted to short-term inpatient treatment as defined in [section 2].

(b) If the professional person recommends commitment, the professional person's written report must contain a statement of the professional person's recommendations to the court for disposition under 53-21-127.

~~(2)~~(3) The following action must be taken based on the professional person's findings:

(a) If the professional person recommends dismissal, the professional person shall additionally notify counsel and the respondent must be released and the petition dismissed. However, the county attorney may, upon good cause shown, request the court to order an additional, but no more than one, examination by a different professional person for a period of no more than 4 hours.

(b) If the professional person recommends diversion to short-term inpatient treatment as defined in [section 2], the provisions of [section 6] apply.

(c) If the court finds that commitment proceedings should continue, the hearing must be held as scheduled.

~~(3)~~(4) The court may not order further evaluation pending the hearing unless sound medical reasons require additional time for a complete evaluation. The reasons must be set forth in the order, along with the amount of additional time needed."
